Specification

The disclosure is objected to because of the following informalities: it is suggested to update the status of U.S. Patent Application Serial No. 09/193,209. Appropriate correction is required.

Double Patenting

Claims 1 – 62 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 - 27 of U.S. Patent No. 6,175,787 B1). Although the conflicting claims are not identical, they are not patentably distinct from each other because the same end result of diagnosing the state condition of a vehicle is achieved.
